

AGENDA FOR THE WEEKEND

October 18 – 20, 2019

FRIDAY: Classmates will be arriving at the hotel at various times throughout the day. The hotel lounge (Hive Living Room/Bar) is quite large and can accommodate many. It also has a great restaurant/bar for dinner on Friday. We also have a hospitality room for the weekend (**Kykuit-Lynhurst Suite**), with a small refrigerator and glasses. We will have some beer, bottles of water and some munchies available but you can BYOB/munchies as well. The hotel has asked that we be discreet since they do sell libations at the bar. Classmates will be coming and going, as they get registered and settled and will be found gathering between the Hive Lounge and our hospitality room any time from mid afternoon through the evening until???

SATURDAY: 0900 AT FORT Free continental breakfast past the Library/old mess deck, (first door past library on left), for wives/significant others.

1000 Class picture at the flag pole, after which we will muster in the Inner Gorge to march in as a class. It takes about 45 minutes from hotel to Fort. Parking will be in lots 9, 10, 11.

1030 March in, in uniform of the day: **Blue jacket, tan pants, shirt and tie plus hat we will provide.**

1200 Sit down lunch at school if you would like (see Alumni Website: sunymaritime.edu/reunion) or pay as you go BBQ lunch on the baseball field, which most seem to prefer. It will be in a tent and is open to all alumni. It could be chilly and crowded, so go early and dress warm. As a last resort you may also want to try the "VOUS". Could be crowded (good food), or bring your own picnic lunch.

The balance of the afternoon is open. It is a good time to tour the Fort, ship and Jim McNamara's wonderful Maritime Museum. Also, see the School Homecoming Brochure for additional activities including Regimental Review on Reinhart Field (1330).

1800 AT HOTEL Cocktail Hour in the **Hudson Room** at the Renaissance Hotel. Portable cash bar, so **bring cash** as you cannot charge drinks to your room from the portable bar during the cocktail hour and dinner. Soft drinks are free all evening. Blank place cards will be available at this time for anyone who wants to reserve seats to sit with specific classmates. Dinner tables will have numbers on the tables to facilitate this.

1900 Dinner will be in the **Harrison Ballroom**. (Microphone will be available all evening for anyone to enlighten us with a short ditty!) After dinner, we will again be entertained by "Steve Richter Productions, Inc.!"

2300 Adjourn to the **Hive Lounge** and/or **Hospitality Room** for more sea stories.

SUNDAY: 0800 AT HOTEL Former classmate **Father Jim Huvane** has offered to celebrate a Mass in the Hospitality Room. **All faiths are welcome.**

0900 Breakfast and last chance sea stories in **Hive Lounge**. It is ala carte if you get there early in the morning, otherwise buffet at a set price.

1200 Checkout and hugs/goodbye's for those not staying until Monday.

BE SAFE AND WELL UNTIL WE MEET AGAIN.....2024!!!
